April 18

*Phrase to reflect on as you walk:* **Nothing less than God can satisfy us.**

*At a spot of your choosing, stop and say this prayer, taking a few moments to be still:*

Out of your goodness, Lord, give me yourself,  
for you are sufficient for me and I can ask  
for nothing less that can render you full worship.  
And if I ask for anything less, I am constantly lacking;  
only in you do I possess everything.
