*Phrase to reflect on as you walk: **Our spirit is made to be God's resting place.***

At a spot of your choosing, stop and say this prayer, taking a few moments to be still:

Oh God, Beloved Friend,
I rejoice in your intimacy with me.
Remove all the barriers that stand between us.
I welcome you into my heart;
let me make you at home there.
And let me see all other creatures joined together
in the love and intimacy we share.
